

## Student Parking Guidelines

You are responsible for knowing LATTC parking rules and regulations. This information is intended to provide students with basic guidelines on parking at the college. The complete text of the college's parking rules and regulations is printed in the College Catalog: [www.lattc.edu](http://www.lattc.edu). Student Parking Guidelines may be obtained from the LATTC Sheriff's Station, D4-150, the Business Office, E5-123, and the Administrative Services Office, E5-305.

- Student parking regulations are **enforced starting the first day of class each semester** through final examinations. A student parking decal is valid for the current academic term only and must be displayed at all times a vehicle is parked on college property. Saturday and Sunday parking rules and regulations are enforced in the same manner as weekdays.
- Parking decals are made of removable mylar and should be **affixed to the inside rear window, (lower right side, facing outward)**. **Vehicles with tinted rear windows may display the decal in the lower right or lower left front window. Any vehicle displaying a decal which is expired, altered, reported lost or stolen, or not completely visible is subject to a citation. Also, the failure to display a parking decal or parking in an area not authorized for student parking, including designated faculty/staff lots and levels, reserved spaces, or vehicles parked out of stall will result in the issuance of a citation. Illegally parked vehicles may be towed away at the owner's expense.**
- Regulations governing handicapped parking, red curbs, no-parking zones, fire lanes, special permit areas, and areas that have parking time limitations are enforced 24 hours a day, including weekends and holidays.
- A **valid college parking decal and a DMV placard must be displayed** on any vehicle parked in a designated handicapped stall.
- All traffic laws must be obeyed. The college speed limit is 7 miles per hour.
- The purchase of a student parking decal does not guarantee a parking space; it is only a permit to park one vehicle in the designated areas specified below (See Campus Map on reverse side):

- Inquiries regarding the college's parking program, parking rules and regulations, parking decal use and enforcement should be directed to the following offices during normal business hours: Business Office, (213) 763-7225, and the Administrative Services Office, (213) 763-7040. However, the LATTC Sheriff's Station personnel are on duty 24 hours a day, 7 days a week to assist with parking decal use and enforcement issues. Please call (213) 763-3600.
- **Decal Sales, Refunds, and Exchanges:** Please contact the Business Office, E5-123, (213) 763-7225. **Please note: There is "no free parking replacement" if a decal is lost or stolen.**
- **Parking Citation Appeals:** Individuals who believe a citation was issued to them in error must appeal it immediately by completing an Administrative Review form (available in the Sheriff's Station, D4-150) or the LATTC Sheriff's website under Parking Information). Appeals must be mailed to: Los Angeles Trade Technical College, c/o Parking Citation Service Center, P.O. Box 11923, Santa Ana, CA 92711. You may contact the LATTC Sheriff's Station for results within approximately three weeks. Failure to immediately pay or appeal a citation may result in substantial penalties and a Department of Motor Vehicle (DMV) hold on your vehicle registration.
