GOOD MONDAY MORNING

Hope you enjoyed Labor Day!

For continuing students, we know you are familiar with this e-mail blast, but for you new students, this is a weekly e-mail designed to keep you informed about events, deadlines, partnerships, job opportunities, and other interesting things related to Trade Tech. This is your community college and we want you to be involved in the campus experience.

BRIDGES TO SUCCESS

We know the first week of school can be overwhelming in some ways, but we hope you secured your classes and are settling in. Remember that we are here to help you be successful. If you have any questions about the enrollment process including adding classes, please come by the Bridges to Success Center in Mariposa Hall, Room 105.

FINANCIAL AID WORKSHOPS

We know you have a lot of questions about financial aid, and we are trying to answer as many questions as we can at the Financial Aid department counter on the first floor of Juniper Hall. But the lines can be long, so we are providing a series of financial aid workshops where you can drop-in and ask quick questions about financial aid.

Students can conveniently sign up for the workshops from their personal devices. [Financial Aid](#)
