Select Internet Sites

AnthroTech Virtual Library <http://vlib.anthrotech.com/>

Directory to anthropology resources on the web, including anthropology conferences, discussion forums, job opportunities, organizations, publications, theories, and branches of anthropology such as archeology; biophysical, cultural, and linguistic anthropology; and other specialized fields.

Anthropology Resources on the Web <http://www.anthropologie.net/>

Includes 3500+ links to university departments, research institutions, documentation, networking, archaeology links by topic and region, and web directories related to archaeology and anthropology.

Anthropology Tutorials <http://anthro.palomar.edu/tutorials/>

Includes information on physical (biological) and cultural anthropology. Topics range from early theories of evolution and evolution of modern humans, to social and political organization, anthropology of religion, medical anthropology, and more.

AnthroSource <http://www.anthrosource.net/>

“Developed by the American Anthropological Association (AAA), AnthroSource brings 100 years of anthropological material online to scholars and the public”

Department of Anthropology at Texas A&M University <http://anthropology.tamu.edu/news.htm>

Anthropology in the News - “Links to news stories published on the web. Some services require that you register and select a password in order to retrieve articles, but none charge a fee to retrieve these news stories.”

Human Relations Area Files: Cultural Materials for Education and Research

<http://www.yale.edu/hraf/>

“The Human Relations Area Files, Inc. (HRAF) is an internationally recognized organization in the field of cultural anthropology. The mission of HRAF is to encourage and facilitate worldwide comparative studies of human behavior, society, and culture. Founded in 1949 at Yale University, HRAF is a financially autonomous research agency of Yale. HRAF produces two major collections (the HRAF Collection of Ethnography and the HRAF Collection of Archaeology), encyclopedias, and other resources for teaching and research.”

Professional Organizations

American Anthropological Association <http://www.aaanet.org/>

“The American Anthropological Association (AAA), the primary professional society of anthropologists in the United States since its founding in 1902, is the world's largest professional organization of individuals interested in anthropology.

Southwest Anthropological Association <http://www.sjsu.edu/depts/anthropology/swaa/>

Local anthropological association (site hosted by San Jose State University), which holds annual meetings, publishes a newsletter, and promotes student papers and presentations.
