

## STUDENT SERVICES DIVISION

### **Student Learning Outcomes (SLOs) & Student Area Outcomes (SAOs)**

- 1. The Student Services Division provides support services to a diverse student population consistent with the mission of the college.**
- 2. The Student Services Division provides an environment for our students that enhance personal and civic responsibility, aesthetic opportunities, shared governance and life-long learning enhancement.**
- 3. The Student Services Division supports a student-centered learning environment which provides state-of-the-art technology access regardless of service location or delivery method.**
- 4. The Student Services Division focuses on equitable access for enrollment, orientation, special services, counseling and guidance and a progress-driven environment.**
- 5. The Student Services Division utilizes various research-driven processes and informational data to assist in planning and to create a culture of evidence.**
- 6. Student Services Programs are designed to maintain appropriate levels of services that will support and enhance student understanding and appreciation of diversity.**
- 7. Student Services Programs continually re-evaluates retention and persistent strategies that will enhance early alert programs and tutorial services.**
