

**Los Angeles Trade-Technical College
Utilities and Construction Prep Program
Industry, Labor, and Community Partners**

The Construction and Utility Prep program is made possible with the generous support from the following organizations:

- Career Advancement Academy Program, California Community College's Chancellor's Office
- Career Ladders Project
- Electrical Training Institute of Southern California and IBEW Local 11
- The IBEW Local 18-LADWP Joint Training Institute
- Los Angeles Department of Water and Power
- The Los Angeles Infrastructure and Sustainable Jobs Collaborative
- The Regional Economic Development Institute (REDI) @ Los Angeles Trade-Technical College (established with financial support from the Bank of America Foundation)
- Southern California Gas Company
- UAW Labor Employment and Training Corp.
- Women in Non Traditional Employment Roles
