CONSTRUCTION: At the time of this publication, every effort was made to indicate available parking at the college. Current construction may alter our parking availability at various times. Information about parking can always be obtained through the College Sheriff's Office, (213) 763-3600.

OVERFLOW PARKING: LATTCC makes every effort to provide adequate parking for all students, staff and visitors. However, since student parking becomes extremely impacted during the first three weeks of the Fall and Spring semesters, we have made arrangements with our neighbor and community partner, The LA Mart at 1933 S. Broadway, to provide overflow parking for LATTCC students in their East lot. The lot is accessible from Broadway or Main just south of Washington Boulevard. The lot will be available to LATTCC students with valid parking permits for the first three weeks of the Fall and Spring semesters ONLY.
