

Have you ever considered a career in the Elevator Industry? We provide on the job training that can set you up for a successful and rewarding long-term career in the elevator field.

If you have **strong mechanical/electrical** aptitude and skills and/or have experience performing **motorcycle/auto repairs**, you may be a great candidate for our opportunity.

About Us:

Being the Most Trusted at What We Do

McKinley Elevator is a family-owned business headquartered in Irvine, California. We also have a location in Hayward, CA. **Since 1948, McKinley has been providing exceptional service to its customers.** Over the years, McKinley has earned a reputation for providing the highest quality products and unsurpassed knowledge from its representatives. We are one of California's, Nevada's, and Arizona's leaders in the fast growing market of residential accessibility products for commercial and residential applications.

Who you are:

As a full-time McKinley **Installer – Home Elevators Install Apprentice**, you will handle everything from home elevators, vertical and inclined wheelchair lifts, commercial dumbwaiters, car lifts and car turntables. **If you are skilled or feel that you could be an expert in any of these trades, then you may be the right fit for our team.**
