Instructions

LACCD Board Rule 8100.15 states that "students who are citizens and residents of a foreign country, or who are legally precluded from establishing residency in California, shall be entitled to exemption from nonresident fees on the basis of individual financial need in accordance with regulations adopted by the Chancellor. Such individual exemptions shall not be granted in excess of ten percent (10%) of the District's students who are both citizens and residents of a foreign country in the applicable term. If you meet the eligibility requirements on the *Nonresident Tuition Fee Waiver Affidavit* you may be eligible to receive a nonresident tuition exemption.

This form will be used to determine if you meet the exemption requirements established by this policy. If these guidelines apply, to you please fill out this form and return it to the Admissions and Records Office at your college.
