Please note: At the time of publication, current information was used. Construction demands will create changes and information will always be available at the College Sheriff's Office, D150, (213) 763-3600, 24 hours a day, 7 days per week. LATTTC provides adequate parking for students, staff and visitors. However, since demand is high during the first three weeks of Fall and Spring semesters, overflow parking will be available in the East lot of the LA Mart at 1933 S. Broadway. These spaces are accessible from Broadway or Main Streets just south of Washington. The LA Mart East lot offers free parking to students with a valid college parking permit for the first three weeks of the Fall and Spring semesters only. Beginning with the fourth week, students must use other designated college lots.

ACCURACY STATEMENT

The Los Angeles Community College District and Los Angeles Trade-Technical College have made every effort to make this schedule accurate and may, without notice, change general information, courses, or programs offered. The reasons for change may include student enrollment, level of funding, or other issues decided by the district or college. The district and college also reserve the right to add, change, or cancel any rules, regulations, policies and procedures as provided by law.

VISION AND MISSION OF LATTC

COLLEGE VISION THROUGH 2015

Los Angeles Trade-Technical College (LATTC) will be a global leader known for effectively incorporating leading-edge theories, proven educational practices, hands-on experiences and technology into its career technical and professional programs. LATTC graduates will be in high demand. Many will become community and business leaders and innovators.

OUR MISSION IS TO

Provide our students and community with high-quality technical and professional educational options that flexibly meet their life-long career development and academic goals; foster a climate of life-long learning; prepare our students to participate effectively in our democratic society; and generate economic development with our educational, governmental, community, and business partners.

OUR VALUES ARE LEARNING

We are committed to help all students define and attain their learning objectives whether career technical, professional, transfer, or basic skills. We are dedicated to student success and judge our success by their learning outcomes. Our faculty, administration and staff commit to and attain annual learning objectives.

EXCELLENCE

We set and meet the highest standards. We anticipate change. We regularly evaluate our programs, systems, facilities, equipment and teaching methods to incorporate improvements. We recruit the best faculty and staff and commit appropriate resources and time to their continuous development.

RESPECT

We value diversity in perspective, thought, and culture. We believe it contributes to creative approaches and solutions to problems or opportunities. Regardless of the extent of our differences, we are inclusive, civil, and collegial with each other, our students, our community, and all others.

INTEGRITY

We say what we mean and we do what we say. We hold ourselves accountable to each other and our community. We meet or exceed professional standards and legal requirements. We honor the public’s trust by providing high quality services, while using our resources prudently and efficiently.

TEAMWORK

We believe that teams working collaboratively produce superior results. We foster collaborative relationships and teams, encompassing both campus-wide and external membership, to optimize the quality, acceptance, and implementation of their recommendations.

DECISION-MAKING

In the spirit of shared governance, we strive to keep the whole campus informed on emerging issues and involved in key decisions. We make sound data-based decisions that address multiple perspectives and account for short-and long-term implications.
