

LATTC IGEC: Intersegmental General Education Transfer Curriculum 2022-2023

Disclaimer: Every effort has been taken to ensure that the information below is accurate and timely. However, this information is unofficial and should be checked against the official information found on the ASSIST website: www.assist.org.

The courses listed below fulfill the lower-division general education requirements at all UC and CSU campuses.

Note: IGEC is only part of the 60 transferable unit requirement for admission to a Cal State or the University of California campus. (see back page)

Important: Courses in Areas A1, A2, A3, and B4 must be completed with a grade of "C" or higher in each course.

** Courses listed in more than one area can be used only once to fulfill Areas 1 through 5, except for †Languages Other Than English (LOTE) which can be certified in Areas 3B and 6.

AREA 1	English Communication UC: 2 courses required. ONE course from each group 1A AND 1B CSU: 3 courses: ONE course from each group 1A, 1B, & 1C	6-9 sem. or 9-12 qtr. units	pass along or exam	C	IP	N

This IGETC Plan totals approximately 34-37 CSU / UC transferrable semester units. A minimum of 60 transferrable semester units is required for transfer. You will need to complete additional coursework in your major and maybe some elective courses. Highly selective UC campuses prioritize major prep for admission selection. Please visit the ASSIST website www.assist.org and consult with a counselor to develop an Educational Plan so that you can reach your goals.

IGETC Standards

- All courses must be a minimum of 3 semester / 4 quarter units to meet the requirements for IGETC (except area 5C).
- A minimum of a "C" grade is required in each college course for IGETC
- A "C" is defined as a minimum of 2.0 grade points on a 4.0 scale Governed by IGETC Standards: www.ccctransfer.org

IGETC Policy & Information

- All courses must be completed with a grade of "C" or better. A grade of "P" (pass) may be used if the grading policy of the community college states that a grade of "P" is equivalent to a grade of "C" or better.
- The UC will allow no more than 14 semester units taken with "P" towards eligibility for IGETC.
- Courses may be used only once to satisfy one IGETC subject area, even if they are listed in the course agreement under more than one subject area.
- Courses may be used to satisfy both IGETC and major requirements.

Which type of student should NOT follow IGETC:

Certain students will not be well served by following IGETC. Students who intend to transfer into majors that require extensive lower division preparation, such as engineering or the physical and natural sciences, should concentrate on completing the prerequisites for the major that the college screens for to determine eligibility for admission.

UC AREA 6: Language other than English - LOTE IGETC Standards: Additional mechanisms to demonstrate competency:

- Satisfactory completion with "C" grade or better in high school foreign language (same language)
- Two years of formal schooling at the sixth-grade level or higher in an institution where the language of instruction is not English.
- Earn an AP exam score of 3 or higher; or IB exam with a score 5 or higher.
- SAT language scores (see counselor to review IGETC standards).
- Validating proficiency by completing a higher-level college language course.

When combining quarter and semester unit values within an IGETC area, units shall be converted to either all quarter units or all semester units to best serve the student.

WARNING: Many students attend more than one California Community College campus. If that's you, be sure to follow the IGETC pattern at each college of attendance. IGETC policy states that coursework completed in a specific subject area will be used in the same area designated by the California Community College at which the course was completed. This is also the policy if the student completes courses at more than one of the Los Angeles Community College District (LACCD) colleges.

IGETC Certification is not automatic:

- You must meet with a counselor to review IGETC completion.
- Official transcripts must be on file in Admissions & Records for GE credit from other institutions attended outside of LACCD.
- Counselor must sign this verification before submission to the Admissions & Records office.

To be fully IGETC certified:

- All courses must be completed or in progress at time of petition for the certificate.
- All course grades must be posted and all transcripts from other institution including exam scores must be on file in A&R.

Using IGETC for AA-T or AS-T

- If transferring to a CSU, IGETC must be fully certified as IGETC for CSU including Area 1C (a CSU admissions requirement).
- If the student DOES NOT plan to transfer to a CSU with an AAT or AST, he/she may elect to use IGETC without COMM 101.
 - Student must sign an AREA 1C waiver form that acknowledges they cannot be admitted to a CSU without COMM 101 in the future should he/she change their mind.

IGETC for STEM:

- Allows for partial certification on in high unit AS-T majors (Biology) Complete the following:
- Complete all courses in Areas 1, 2, and 5 of the traditional IGETC
- AREA 3: 6 units: One course in Area 3A; one course in Area 3B.
- AREA 4: 6 units: two courses in Area 4 from two different disciplines.
- AREA 6: Foreign Language proficiency: not required for certification but may be completed prior to transfer.

PARTIAL IGETC: California community colleges may grant partial certification of IGETC

- Student is missing no more than two requirements, other than Areas 1 and 2.
- Students submitting partial IGETC certification should complete the missing requirements at either UC, or a California community college as designated by their UC department.
- Students who have been granted partial IGETC certification should not return to the community college for a full certification.

Students who do not complete IGETC (more than two areas missing) before transferring will be required to complete the native lower-division general education breadth requirements of the UC campus college or school.
